Adult, Collegiate and Synchro Figure Skating

The AdultSkate, CollegiateSkate and Festival SynchroSkate programs are open to all skaters ages 18 or older who want to figure skate for fun and fitness in either a recreational or competitive setting. We follow Skate Canada's Canskate and StarSkate programs. Skaters can receive certified coaching, learn new skills, achieve tests, and compete with other university students or adults at different sanctioned events throughout the year. Skaters must hold an active Skate Canada membership with Glacier School of Skating or their existing club. Visit www.glacierschoolofskating.ca for more information on our three programs.
